Dear Michelle

Apologies Michelle for my delay in sending this note through to you but unfortunately other commitments just caught up with me.

On behalf of Atlantic Way and myself, I wish to thank you most sincerely for all your hard work and commitment in dealing with the logistics involved with the recent Jacksonville delegation's visit.

Your professionalism and attention to detail in ensuring that all the various elements were co-ordinated to the highest standards was much appreciated and instrumental in making the visit such a success both with the business sessions and also the various informal dinners.

I would have no hesitation in recommending your company as a truly professional corporate events management company and should it assist, I would be happy to provide a testimonial for your web site.

Many thanks once again Michelle

Kind regards

Yours sincerely
